

# International Journal of Knowledge Engineering

## CONTENTS

---

---

### Volume 2, Number 4, December 2016

#### • Knowledge Management and Innovation

The Influence of Tacit Knowledge and Intellectual Capital towards Innovation.....142  
*Augustina Asih Rumanti, Amelia Kurniawati, Hendru, and Ceicalia Tesavrita*

The Innovation Process Management Community Case Study: Community Justice Center in the Province of  
SuratThani.....148  
*Pattaravis Yoowattana*

The Influence Factors of Knowledge Usage in Online Informal Community of Practice.....153  
*Atchima Manthon*

#### • Artificial Intelligence

Prototyping a Narrative Structure Interface as a Basis for Human-Computer Co-creation of Narratives.....158  
*Taisuke Akimoto*

Implementation of a Scene Expansion Mechanism Using an Event Sequence: As a Mechanism in an Automatic  
Narrative Generation Game.....165  
*Jumpei Ono and Takashi Ogata*

Exploratory Approach to the Computational Modeling of Narrative Ability for Artificial Intelligence.....170  
*Taisuke Akimoto*

#### • Intelligent Computing

3D Animation for Transferring Technology to the Community in Rural.....177  
*Ambar Yoganingrum, Wahyoe Soeprihantoro, Agosto W. Martosudirdjo, and Ira Maryati*

GPU-Accelerated SVM Training Algorithm Based on PC and Mobile Device.....182  
*Yi-Yan Nan, Quan-Zhe Li, Jin-Chun Piao, and Shin-Dug Kim*

#### • Social Sciences

Scientific Culture, Power and Sustainability in Environmental Intervention Schemes.....187  
*J. Andrés Dom ínguez-G ómez and Fernando Relinque-Medina*
